

# Pur Line MOBA15-SPL

## SPLIT AIR CONDITIONNER

### ELECTRONICAL WITH REMOTE CONTROL

#### TECHNICAL SPECIFICATIONS

**Dimensions** Inside unit : 36.5 x 60.8 x 74.6 cm.

Outer unit : 50 x 31 x 52.5 cm

**Net weight** : 43 kg (30 kg + 13 kg)

**Gross weight** : 52 kg

**Colisage** : 1 unit.

**Area covered** : Room ± 45 m<sup>2</sup>

**Speed** : 3 + auto

**Air flow** : 700 m<sup>3</sup>/h.

**Noise level** : Inside 44/48/54 dBA

Outside < 58 dBA

**Water extracted** : 2.2 l / h

**Refrigerant** : R-410A

**Voltage** : 230 V 50Hz.

**Color** : Silver

**Class** : C

**Standards** : GS / TUV / EMC / CE

**According to standard NF EN 14511 (2004)**

**Cooling power** : 3516 watts – 12000 Btu/h

**Absorbed power** : 1300 Watts

**UPC Code** : 3700046512310

Ref : MOBA 15 SPL

**Climatiseur mobile Split puissant  
pour des pièces ± 45m<sup>2</sup>**

**12000 btu/h 3516 Watts**

#### FUNCTIONS :

**Mobile air conditioner.  
Requires no special  
installation. The two elements  
are linked together by a 3  
meters long removable  
connecting pipe.**

#### FEATURES & BENEFITS :

- Removable connecting pipe.
- Ecological gas R410a.
- Lcd screen.
- Remote control.
- 3 meters long pipe included.
- Room temperature indicator.
- Carbon filter .
- Directional air flow, vertical and horizontal.
- Sleep function indicator.
- Automatic recycling of condensed.
- Electronic timer 24 hours.
